

- ✓ High-quality products
- ✓ State-of-the-art facilities
- ✓ Exceptional customer service
- ✓ Enhanced patient safety

## Meeting the needs of healthcare organizations.

Based in Fayetteville, Arkansas, OurPharma is a DEA and FDA-registered 503B outsourcing created to address the need for compounded medications that are in short supply regionally and nationally. The initial focus is on sterile and API compounding of schedule II controlled substances including cassettes, injectables, and intravenous fluids.

## There is an average shortage of over 200 medications daily.

*University of Utah Drug Information Service (09/2020)*

## OurPharma is dedicated to addressing this problem.

### Facility at-a-Glance

- ✓ DEA and FDA-Registered
- ✓ 24,000 ft<sup>2</sup> cGMP-compliant, state-of-the-art facility
- ✓ Over 3500 ft<sup>2</sup> of dedicated cleanroom space
- ✓ Leading edge cleanroom design adjusted for unidirectional workflow and segregation of processing
- ✓ Lighthouse cGMP Continuous Monitoring System
- ✓ Cleanroom suites monitored 24/7 for temperature, humidity, particles and differential pressures
- ✓ ULPA (Ultra Low Particle Air) filters with a 99.9995% efficiency removing particles 0.12 microns and larger
- ✓ Optimized HVAC system with UV Light Technology

**Corporate office:** 2512 S. City Lake Road, Fayetteville, AR 72701

OurPharma is a 503B Outsourcing Facility created to address the need for medications that are in short supply regionally and nationally.

## CASSETTES

NDC	Product Description	Fill Volume	Diluent	Container	Storage	Expiry	Preparation Type	Status
73013-1001-01	Fentanyl Citrate 50mg/mL (PF) in	50mL	0.9% Sodium Chloride	50mL Grey CADD	CRT, PFL	180 DAYS	S2S	AVAILABLE
73013-1029-01	Fentanyl Citrate 2mcg/mL + Bupivacaine HCl 0.1% (PF) in	100mL	0.9% Sodium Chloride	100mL Yellow CADD	CRT, PFL	90+ DAYS	API	READY
73013-1027-01	Fentanyl Citrate 2mcg/mL + Bupivacaine HCl 0.0625% (PF) in	100mL	0.9% Sodium Chloride	100mL Yellow CADD	CRT, PFL	90+ DAYS	API	READY
73013-1028-01	Fentanyl Citrate (PF) 2mcg/mL + Bupivacaine 0.125% (PF) in	100mL	0.9% Sodium Chloride	100mL Yellow CADD	CRT, PFL	90+ DAYS	API	READY
73013-1030-01	Hydromorphone HCl 0.2mg/mL in	50mL	0.9% Sodium Chloride	50mL Grey CADD	CRT, PFL	90 DAYS	API	AVAILABLE
73013-1031-01	Hydromorphone HCl 0.2mg/mL in	100mL	0.9% Sodium Chloride	100mL Grey CADD	CRT, PFL	90 DAYS	API	READY
73013-1040-01	Hydromorphone HCl 1mg/mL in	50mL	0.9% Sodium Chloride	50mL Grey CADD	CRT, PFL	90 DAYS	API	AVAILABLE
73013-1041-01	Hydromorphone HCl 1mg/mL in	100mL	0.9% Sodium Chloride	100mL Grey CADD	CRT, PFL	90 DAYS	API	READY

## PCA VIALS

NDC	Product Description	Fill Volume	Diluent	Container	Storage	Expiry	Preparation Type	Status
73013-1010-01	Morphine Sulfate 1mg/mL (PF) in	30mL	0.9% Sodium Chloride	30mL LCPCA Vial	CRT, PFL	120 DAYS	API	AVAILABLE
73013-1035-01	Hydromorphone HCl 0.2mg/mL in	30mL	0.9% Sodium Chloride	30mL LCPCA Vial	CRT, PFL	180 DAYS	API	AVAILABLE
73013-1045-01	Hydromorphone HCl 1mg/mL in	30mL	0.9% Sodium Chloride	30mL LCPCA Vial	CRT, PFL	180 DAYS	API	AVAILABLE

CRT Controlled Room Temperature (20-25 Degrees Celsius)
